"Asepsis" means free from contamination. It's the standard we hold ourselves to on every job.

FAQ page

Do you bring your own supplies and equipment?

Yes. All cleaning supplies and equipment are included in every price. If you'd like us to use a specific product in your home, just let us know.

How is residential pricing set?

By home size (bedrooms) and the type of clean: Standard, Deep or Move-In/Move-Out. Prices include up to 2 full bathrooms and 3,000 sq ft. Extra bathrooms, larger homes and add-ons are listed on our

Residential page.

What's the difference between a Standard and a Deep clean?

A Standard clean keeps a regularly cleaned home fresh. A Deep clean adds detail work on build-up areas: baseboards, doors, switches, fans, vents, blinds, window tracks, soap scum and grout.

Why is my first recurring visit a Deep clean?

It gets your home to a true baseline so every Standard visit after that stays quick, consistent and affordable.

Do you clean homes in the Deer Creek area?

Yes. We clean homes and businesses throughout the Deer Creek school district area of Edmond and north Oklahoma City, as well as the rest of Edmond. Most Deer Creek homes can be booked within 48–72 hours.

Do I need to be home?

No. Many clients give us a door code or leave a key. We lock up as we found it.

Are you insured?

Yes. We carry General Liability and Workers' Compensation insurance. Commercial clients can request a certificate of insurance and W-9.

How quickly can you start?

Usually within 48–72 hours for homes and new commercial accounts. Post-construction cleans are scheduled around your project timeline.

How do you price post-construction cleaning?

\$0.45 per square foot for final cleaning, as a firm fixed-price bid covering all labor, equipment and supplies. Multi-phase cleans are quoted per project.

What if I'm not happy with something?

Tell us within 24 hours and we'll come back and re-clean the area. *[Confirm this guarantee before publishing.]*

What's your cancellation policy?

[Add your policy, e.g. please give at least 24 hours' notice to reschedule.]

How do I pay?

[Add accepted payment methods, e.g. card, check, Zelle, invoice for commercial accounts.]
